Small Dollar Loan Program

Community Ventures' Small Dollar Consumer Loan Program helps low-income borrowers who need financing for home repairs, paying down debt, emergency situations, and other consumer needs. Financing is available for borrowers without credit. This program helps Kentuckians borrow the money they need, build credit, and gain financial knowledge for the future. Kentuckians with property damage or loss due to the 2021 tornadoes may qualify for this loan.

Program Details

- Affordable, fixed-rate loans
- Available for extremely low-to low income households
- No minimum credit score requirement
- Flexible payment options
- Borrowers receive one-on-one financial education
- Small loans available for home repair, auto repair, unexpected personal expenses, and other needs.
